

Daniel Grabczewski

FULL-STACK WEB DEVELOPER

Hello. I'm a full-stack web developer with a distinct philosophy: every master is an eternal student!

I love to constantly challenge myself and push my limits further and further. I'm excited to apply my skills and mindset to create and collaborate on innovative software development projects.

EXPERIENCE

Full Stack Web Developer / Dev Academy Aotearoa

MARCH 2023 - JULY 2023 / Student, Auckland

15 week full immersion bootcamp at 70hrs/week, working on multiple projects in team and pair programming environments.

- Resolved challenges between React and Redux frameworks in group projects, identifying root causes and building automated tests with Jest and Vite to ensure robust code.
- Demonstrated exceptional composure while meeting tight deadlines on a music sharing app project.
- Exceeded MVP expectations on an e-commerce app by leading the addition of user authentication through Auth0.
- Successfully resolved team conflicts in final group project by facilitating discussion between two parties with opposing views.

Ersa Versaflow Operator & Maintenance / PowerShield

SEP 2022 - DEC 2022 / Full-time, Auckland

Leading NZ manufacturer of battery-monitoring equipment

- Operated Ersa Versaflow selective soldering machine effectively, enabling flow of production to meet critical shipping deadlines.
- Conducted regular calibration on Ersa Versaflow, maintaining correct temperature and flow settings for precise soldering.
- Assembled components on PCBs with precision, ensuring accurate soldering to create high quality products for clients.

Videographer & Editor / HAPfilm

JULY 2021 - NOV 2022 / Contract, Nationwide

NZ provider of video services for all event types.

- Successfully adapted to diverse environments and event types, adjusting film techniques to meet unique requirements of each project.
- Collaborated seamlessly with clients, event organizers, and other vendors, fostering open communication to achieve shared goals.
- Crafted engaging narratives to evoke emotions through visual storytelling in wedding films and music videos.
